BIKE

The University of Winnipeg offers several locations for secured bike parking, though these are rented monthly.

There are also several open-access outdoor bike parking locations: on the Main Campus, located in B-Lot; Science Complex, along Portage and Langside; and the Buhler building, along Portage Ave. All available on a first-come, first served basis. There are miscellaneous bike racks throughout the campus.

The University of Winnipeg advises that cyclers take the following precautions when parking their bikes:

- Use a high-quality U-lock
- Remove your quick-release tire and secure it to your bike frame with lock
- Remove your seat and take it with you
